www.theearthlingco.com

With no bottle, conditioner bars, dish soap bars and other earth friendly products

Cleaning Spray

Force of Nature

www.forceofnatureclean.com

"As powerful as bleach, no harmful chemicals"; make your own spray cleaner and disinfectant system

Recycle TechnoTrash

Scoville Library has a bin by

www.greendisk.com

Scour pads

www.ScotchBrite.com

50% of scrub material is plant fiber, packaging 100% recyclable

Composting

Salisbury/Sharon Food Waste Collection

Program, run by the Salisbury Transfer station.

transferstation@salisburyct.us

It is simple! You can put in unbleached paper, animal bones and grease. Even if you don't have or want a garden, don't let food scraps go to waste. Collected by Curbside Compost.

Power Strip

TrickleStar

tricklestar.com/pages/powerstrips

When the TV or PC is plugged into the control outlet and turned on, the switched outlets will turn on and electronics plugged into them can be used. When the TV or PC is turned off, the electronics plugged into the switched outlets turn off.
